Evaluation of Teachers by Students

The University has accepted the UGC guidelines relating to evaluation of teachers by the students. The evaluation of teachers by students is a regular practice in the University since 2005. It is conducted at the end of each academic session.

Health Insurance

The University has an insurance scheme for the students known as Janata Personal Accident (JDA) offered by National Insurance Company Ltd. All the students taking admission in P. G. Departments are brought under the insurance coverage.

Training and Placement

The Training and Placement Cell contacts industries throughout India for the summer training/project work of the students. A faculty member is looking after the Cell.
