1. THE FAKIR MOHAN UNIVERSITY: AN INTRODUCTION

The Fakir Mohan University, Vyasa Vihar, Balasore was established by the Government of Odisha, under Section 32 of the Odisha Universities Act, 1989 (Act 5 of 1989) and it was notified vide the Government's Notification No. 973, dated 3rd July 1999. It has been duly recognized by the UGC under Section 2(f) of the UGC Act vide Notification No. F-9-1/2000 (CPP-I), dated 11th February 2000 as well as under Section 12(B), vide UGC letter no. F.9-1/2000 (CPP-I) dated 23rd December 2005. The University has also been accredited by the Association of Indian Universities (AIU) since 2000 and is also a member of the Association of Commonwealth Universities (ACU), UK. At present it is functioning in two campuses: the Old Campus at Januganj, beside the National Highway near Remuna Golei and the New Campus at Nuapadhi, in and around Balasore town.

Accreditation and Ranking

National Assessment and Accreditation Council (NAAC) under the aegis of UGC has accredited F.M. University with B+ grade with effect from 16.09.2016. As per the recent University ranking list released by National Institutional Ranking Framework (NIRF), Government of India, F.M. University is ranked within the 151-200 rank band in India and thereby making it one among the top ranked state Universities in Odisha.

Mission and Vision

The Fakir Mohan University is committed to develop itself as a value and need-based quality education provider in the state of Odisha in general and Balasore and Bhadrak districts in particular. It has the ultimate objective of producing qualified and competent manpower responsive to the changing needs of the society at the national and international levels.

In its quest for being an outstanding centre for learning and development of human resource, it cherishes a clear vision and mission. It has become very consistent in its recruitment policy and, as a result, it has recruited brilliant scholars specialized in various areas of the eighteen front line Departments with allied disciplines possessing enormous potential to generate employment and entrepreneurship among the students.

The Vision of the University is to promote the following:

- The Culture of Excellence
- The Culture of Innovation
- The Culture of Quality
- The Culture of Flexibility and Dynamism
- The Culture of Sustainability

It has the following missions through which it seeks to stimulate and promote professional competency among the students and faculty:

- To provide opportunities to students and faculty to acquire higher qualification and experience.

- To provide continuous learning opportunities for students, faculty, staff and working professionals.
- To provide wide scope for research, design and development.
- To provide consultancy relevant to areas of specialization and expertise.
- To provide scope for practicing innovative teaching and learning methods.
- To provide access to the best intellectual resources.
- To encourage college and other institutions to develop coordination in academic and research activities of common interest including preliminary research exposure to undergraduate students.

Special features of the University

- Non-negotiable academic calendar and timely publication of results
- Timely conferment of Degrees and Certificates
- Computer and web-based teaching Departments
- Health insurance coverage to all students
- Personality development programmes for students
- Campus interviews and Placement for the students

Collaborations/linkages with National Institutions

- The Department of Information and Communication Technology has established linkage with Proof and Experimental Establishment (PXE), and Integrated Test Range (ITR), Balasore in undertaking research.
- The Department of Applied Physics & Ballistics is offering the M. Sc. course in Applied Physics & Ballistics with active support from Proof and Experimental Establishment (PXE), Chandipur, Balasore.
- Other Departments have also established linkage with local industries for research and consultancy.
- The Department of Business Management has signed two MoUs, one with ICAI, Kolkata and another with Odisha Commerce Association (OCA) for growth of financial literacy in the entire state.
- The Department of Biosciences and Biotechnology has linkage with SIN, Kolkata, PXE, DRDO, Chandipur, JNU, New Delhi, Sickle Cell Institute, Burla, SCB, Medical College, Cuttack, ICAR-NRRI, Cuttack, ICAR-CIFRI, Kolkata etc for collaborative research works.

Some healthy practices followed in the University

Proctorial System

Students of all PG Departments are put under the advisory responsibility of an individual teacher of the concerned Department. Each teacher takes responsibility of a group of students of his/her Department and keeps a vigilant eye on the students allotted to him/her and guides such students in curricular and co-curricular activities.

Evaluation of Teachers by Students

The University has accepted the UGC guidelines relating to evaluation of teachers by the students. The evaluation of teachers by students is a regular practice in the University since 2005. It is conducted at the end of each academic session.

Health Insurance

The University has an insurance scheme for the students known as Janata Personal Accident (JDA) offered by National Insurance Company Ltd. All the students taking admission in P. G. Departments are brought under the insurance coverage.

Training and Placement

The Training and Placement Cell contacts industries throughout India for the summer training/project work of the students. A faculty member is looking after the Cell. The Cell is taking up career guidance for students and arranging Campus Interviews. It also arranges Entrepreneurship Motivation Camp for the students to take up Entrepreneurship as an alternative career.

I. Department of Applied Physics & Ballistics

About The Department

The Department of Applied Physics and Ballistics is established in the year 2007 as a regular Post-Graduate Department under Fakir Mohan University, Balasore, Odisha. The uniqueness of the Department is that it is the first and only Post Graduate Department under a general State University, all over the country, introducing a course like Ballistics with a vision to fulfill the requirement of defence research and development services and to make it a centre of excellence with the support of two reputed Govt. of India organizations like PXE and ITR under DRDO. And its mission is to achieve success in University examinations, National level competitive examinations like NET, GATE, JEST, SLET etc. and also in the qualifying examinations of DRDO, BARC, UPSC and other research institutes. The Department, at present offers courses like M.Sc. in APAB, M.Sc. in Physics, M. Phil. in Physics and also the opportunity for doctoral degree (Ph.D.) in the emerging fields like Condensed Matter Physics, Material Science (Nanotechnology), Nuclear & Particle Physics, Ballistics, Fluid Dynamics and Computational Physics and Gravitation & Cosmology.

II. Department of Biosciences & Biotechnology

About the Department

The Department of Biosciences and Biotechnology has started the regular Post Graduate teaching programs in Biosciences and Biotechnology in the year 2004. Department of Biotechnology (DBT), Govt. of India recognized the Department in 2007 as the centre for DBT-BTIS-net Bioinformatics Centre (BIF) for Structural and Computational Biology work. Under this program, the Centre imparts training to students, researchers and teachers on various aspects of Bioinformatics. Department of Science & Technology (DST), Govt. of India had sanctioned funds for infrastructural development under "FIST-2008 program". Research is a core component of the academic curriculum starting with M. Sc., M Phil as well as PhD. A wide range of research activities that addresses important biological, biomedical and biotechnological problems are being conducted. The scientific success of our department rests on its interdisciplinary research environment through close interaction of specialists from different fields. Funding for research activities are through various Government agencies like DST, DBT, UGC, INSA, BARC, DRDO, WWF, etc and through international Scientific Collaborations. Department is enrolling the students for Ph.D. degree work and Post PhD research works under the guidance of the faculties. M. Sc. and M. Phil. Students are admitted from any discipline of Biological, Natural, Medical, Agricultural and Veterinary sciences. The Department conducts various Seminars, Conferences and Refresher courses etc. regularly. The personal advisory system is implemented for a close interaction between the students and teachers for overcoming the difficulties and deficiencies of the students. The Department plans to expand to a School of Integrated Living Systems. Objective of the Department: "Establishing a Foundation for Recent Advances in Life Sciences and Inculcating Biotechnology as a Challenge for the Future".

ANTI RAGGING UNDERTAKING

REGULATION ON CURBING THE MENACE OF RAGGING IN HIGHER EDUCATIONAL INSTITUTIONS, 2009

In exercise of the powers conferred by Clause (g) of Sub-Section (1) of Section 26 of the University Grants Commission Act, 1956, the University Grants Commission hereby makes the following Regulations, namely

TITLE, COMMENCEMENT AND APPLICABILITY

These regulations shall be called the “UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009”.

They shall come into force with immediate effect. They shall apply to all the universities established or incorporated by or under a Central Act, a Provincial Act or a State Act, to all institutions deemed to be university under Section 3 of the UGC Act, 1956, to all other higher educational institutions, including the departments, constituent units and all the premises (academic, residential, sports, canteen, etc) of such universities, deemed universities and other higher educational institutions whether located within the campus or outside, and to all means of transportation of students whether public or private.

OBJECTIVE

To root out ragging in all its forms from universities, colleges and other educational institutions in the country by prohibiting it by law, preventing its occurrence by following the provisions of these Regulations and punishing those who indulge in ragging as provided in these Regulations and the appropriate law in force.

DEFINITION OF RAGGING

“Ragging” means the following: Any conduct whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness any other student, indulging in rowdy or undisciplined activities which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student will not in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student.

PUNISHABLE INGREDIENTS OF RAGGING

- Wrongful restraint;
- Wrongful confinement;
- Use of criminal force;
- Assault as well as sexual offences or unnatural offences;
- Extortion;
- Criminal trespass;
- Offences against property;
- Criminal intimidation;
- Attempt to commit any or all of the above mentioned offences against the victim(s);
- Physical or psychological humiliation;
- All other offences following from the definition of “Ragging”.

MEASURES FOR PROHIBITION OF RAGGING AT THE INSTITUTION LEVEL

- The institution shall strictly observe the provisions of the act of the Central Government and the State Governments, if any, or if enacted, considering ragging as a cognizable offence under the law at par with rape and other atrocities against women and ill-treatment of persons belonging to the SC/ST, and prohibiting ragging in all its forms in all institutions.
- Ragging in all its forms shall be totally banned in the entire institution, including its departments, constituent units, all its premises (academic, residential, sports, canteen, etc.) whether located within the campus or outside and in all means of transportation of students whether public or private.
- The institution shall take strict action against those found guilty of ragging and/or of abetting ragging.

PUNISHMENTS: AT THE INSTITUTION LEVEL:

Depending upon the nature and gravity of the offence as established by the Anti-Ragging Committee of the institution, the possible punishments for those found guilty of ragging at the institution level shall be any or any combination of the following:

- Suspension from attending classes and academic privileges;
- Withholding/Withdrawing scholarship/fellowship and other benefits;
- Debarring from appearing in any test/examination or other evaluation process;
- Withholding results;
- Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
- Suspension/ expulsion from the hostel;
- Cancellation of admission;
- Rustication from the institution for period from 1 to 4 semesters;
- Expulsion from the institution and consequent debarring from admission to any other institution for a specific period
- Fine regarding between Rupees 25,000/- and rupees 1 lakh;
- Collective punishment: When the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment.

The University has constituted an anti-ragging committee to deal with ragging, if any, in the university. The committee conducts surprise visits to the vulnerable points and also regularly monitors the situation in the campus, hostels etc. Further, at the time of induction session, the authority apprises the students of the dire consequences of ragging and advises the students to maintain discipline in the department, hostels and campus etc. The University also decides that if any incident of ragging comes to the notice of the authority concerned, the accused student will be given an opportunity to explain and if his/her explanation is not satisfactory, the authority would expel him/her from the institution as well as hostel if he/she is a boarder.
