Report on “Voter Awareness Campaign” on 7th January 2023

Electoral Literacy Club of Fakir Mohan University, Balasore organized a voter awareness programme in the university adopted village on 7th January 2023. Around 45 students and 4 faculty members are participated in this voter awareness programme. The faculty members along with university students create awareness among the people of Mardarajpur village. Students went to each household and create awareness among the people of all age groups (who are voters or likely to be voter). Many village youths ask their doubts related to voter identity card and our university students solve their queries.
