CELEBRATION OF WORLD HEALTH DAY : F. M. UNIVERSITY : BALASORE

The Fakir Mohan University Balasore celebrated World Health Day on 07.04.2023. On this occasion the Vice Chancellor Prof. Santosh Kumar Tripathy inaugurated “Hemoglobin Screening Test Camp” at Health Centre of the University meant for Girl Students and Women Employees. Then in the conference hall of the university, a meeting was held, graced by Dr. Chaudhuri Satyabrata Nanda, Physician & President of FMU Alumni, Prof. Munesh Chandra Adhikary, Chairman, PG Council, Mrs Kukumina Das, Registrar and Dr. Soma Nanda, Medical Officer. This meeting was coordinated by Dr. Debadutta Das and the Medical Staff of the University. The Teaching staff, Nonteaching staff and students have attended the meeting and more than 250 girl students and women employees have tested haemoglobin screening and were advised for taking medicine and food.
