Innovative practices followed in the University

Internal Complaint Committee

Fakir Mohan University has pledged to create a gender sensitive campus following the guidelines of "Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act 2013". The University has constituted its Internal Complaints Committee with the objective to take up gender issues within the campus.

Career Counselling Cell

To address various educational, vocational, personal and social issues along with to choose right profession and vocation during and after their studies as per their talent interest and ability, University has established a Career Counselling Cell.

Placement Cell

The Central Placement Cell of the University plays active role in arranging on-campus and off-campus placement drive. It also arranges placement training for final year students for enhancement of employability. Placement Cell contacts industries throughout India for the summer training/ project work of the students. A faculty member is looking after the Cell. The Cell is taking up career guidance for students and arranging Campus Interviews. It also arranges Entrepreneurship Motivation Camp for the students to take up Entrepreneurship as an alternative career.

Student Assembly

Student assembly has been organized to collect views, suggestions and complaints from the students regarding academic and non-academic matters. This helps in decision making, strategy planning and overall quality of University.

Outreach Programme

With a view to contribute in uplift of rural community life, outreach programmes are conducted as part of village adoption program. University has adopted two villages (Nuapadhi and Mardarajpur). Awareness programs are organized hand holding with colleges, UG and High School students on different issues to support and solve greater need for long term plan towards socio-economic and educational progress. University has organized Rural Football Tournament and ten teams from rural areas have participated in it. Frequent medical camps, health check-up and awareness programmes are organized with the help of local NGOs.

Lab to Land

The programme (practices) intends to improve the economic conditions of small and marginal farmers of local community by transfer of improved technology developed by the researchers of the University. This introduces low-cost relevant, salt tolerant rice plants which can be cultivated in pre-monsoon seasons.

The University organizes training programmes and other extension activities relating to prepare farmers for active participation in agricultural development of the state frequently.

Extensive research on Dhana (Paddy), Pana (Betel) and Mina (Fish) is going by the faculties of Bioscience and Biotechnology Department and Environmental Science Department of the University to provide innovative techniques to local farmers in their agricultural activities.

Proctorial System

Students of all PG Departments are put under the advisory responsibility of an individual teacher of the concerned Department. Each teacher takes responsibility of a group of students of his/her Department and keeps a vigilant eye on the students allotted to him/her and guides such students in curricular and co-curricular activities.

Evaluation of Teachers by Students

The University has accepted the UGC guidelines relating to evaluation of teachers by the students. The evaluation of teachers by students is a regular practice in the University since 2005. It is conducted at the end of each academic session.

Health Insurance

The University has an insurance scheme for the students known as Janata Personal Accident (JDA) offered by National Insurance Company Ltd. All the students taking admission in P. G. Departments are brought under the insurance coverage.

2. THE POST-GRADUATE COUNCIL

Post Graduate Council makes policy recommendations of the education mission of the University. The nomenclature of the Post Graduate Council of the University is P.G. Central Office, which is established to look after the academic Excellence of the University under the able guidance of P.G. Council. Specific function includes: facilitation of post graduate study and research related policy matters, recommendation of new courses and programs, evaluation of existing programs, recommendation of faculty related decisions, all matters concerning to students.

The Chairman of the P. G. Council shall be appointed for a period of two academic years by the Vice-Chancellor from amongst the professors of the University on seniority-cum-rotation basis.

About the Department

The Department of Biosciences and Biotechnology has started the regular Post Graduate teaching programs in Biosciences and Biotechnology in the year 2004. Department of Biotechnology (DBT), Govt. of India recognized the Department in 2007 as the centre for DBT-BTIS-net Bioinformatics Centre (BIF) for Structural and Computational Biology work. Under this program, the Centre imparts training to students, researchers and teachers on various aspects of Bioinformatics. Department of Science & Technology (DST), Govt. of India had sanctioned funds for infrastructural development under "FIST-2008 program". Research is a core component of the academic curriculum starting with M. Sc., M Phil as well as PhD. A wide range of research activities that addresses important biological, biomedical and biotechnological problems are being conducted. The scientific success of our department rests on its interdisciplinary research environment through close interaction of specialists from different fields. Funding for research activities is through various Government agencies like (DST, DBT, UGC, INSA, BARC, DRDO, WWF) etc. and through international Scientific Collaborations. Department is enrolling the students for Ph.D. degree work and Post PhD research works under the guidance of the faculties. M. Sc. and M. Phil. Students are admitted from any discipline of Biological, Natural, Medical, Agricultural and Veterinary sciences. The Department conducts various Seminars, Conferences and Refresher courses etc. regularly. The personal advisory system is implemented for a close interaction between the students and teachers for overcoming the difficulties and deficiencies of the students.

8. OTHER FACILITIES

Availability of Scholarships/ Financial Aids

The students of the University enjoy various types of scholarships awarded by the National Councils and State Government on the basis of the result of +3 Exams in Arts/Science/Commerce. Besides, Students pursuing Post-Graduate courses in University Departments are eligible to receive P.G. Merit Scholarship and Loan stipend awarded by the State Government. Few meritorious students in Biotechnology are awarded scholarship by the Dept. of Science and Technology, Govt. of Odisha.

Students' Cultural Committee

There is a Cultural Committee for the PG students of the University. Its executive Committee consists of 2 student members (from each Department) are nominated as Secretary and an Assistant Secretary from among themselves. The Chairman, P.G. Council is the President of the Cultural Committee. One faculty member is the Vice-President of the Committee. The Vice President advises the Students Cultural Committee and conducts various events/ programmes.

Students' Sports Committee

The P.G. Council has also a Sports Committee of which the Chairman, P.G. Council is the President and one of the faculty members is the Vice-President. The Sports Secretary and the Assistant Sports Secretary are nominated in the same manner as in case of Cultural Committee. The Vice-President advises the Students' Sports Committee and conducts various games and sports events.

National Service Scheme (NSS)

The Post Graduate Council has two NSS units under it. The units are supervised by Programme Officers appointed by the Vice - Chancellor on the recommendation of the Chairman, P.G. Council. Students are required to enroll themselves as volunteers of the NSS wing after being admitted into the PG courses.

Ama Cha Khati (My Café)

Fakir Mohan University has a students' cafeteria for the 600 odd residents on the campus including the boarders staying in six P. G. Hostels and the staff residing in residential quarters. My Cafe called "Ama Cha Khati", has been an innovative step in that direction, and it has been launched with a vision on 1 December 2021. The boarders of each hostel are to manage the Cafe through a students' committee for a month. They are assisted by the concerned caretaker (of gents' hostel) or matron (in the case of ladies hostel) and the cook of the respective hostel. It opens at 5 p.m. and continues up to 6.30 p.m. The Cafe is a no plastic zone and uses only handmade leaves for serving dishes. The University provides all the necessary support etc. for cooking. The students' committee decides the menu every day. All income and expenses are recorded in a register. Since there is no profit motive, the food is not only cheap but also of good quality. After a month, whatever amount is found surplus shall equally be shared by the members of the students' committee; the caretaker/matron and the cook. The management of the Cafe will be given to all hostels on a rotation basis. The hostel that is found the best based on the surplus earned; varieties of food prepared and served; and, well managed, would be rewarded by the University administration. The students envision it as a practice of "earning while learning during leisure". It is looked upon as one of the best practices followed in the University.

Internal Complaints Committee

Fakir Mohan University has pledged to form a gender sensitive campus. Following the guidelines of “Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act 2013”, the University has constituted its Internal Complaints Committee with the objective to take up gender issues within the campus.
