Some healthy practices followed in the University

Proctorial System

Students of all PG Departments are put under the advisory responsibility of an individual teacher of the concerned Department. Each teacher takes responsibility of a group of students of his/her Department and keeps a vigilant eye on the students allotted to him/her and guides such students in curricular and co-curricular activities.

Evaluation of Teachers by Students

The University has accepted the UGC guidelines relating to evaluation of teachers by the students. The evaluation of teachers by students is a regular practice in the University since 2005. It is conducted at the end of each academic session.

Health Insurance

The University has an insurance scheme for the students known as Janata Personal Accident (JDA) offered by National Insurance Company Ltd. All the students taking admission in P. G. Departments are brought under the insurance coverage.

Training and Placement

The Training and Placement Cell contacts industries throughout India for the summer training/project work of the students. A faculty member is looking after the Cell. The Cell is taking up career guidance for students and arranging Campus Interviews. It also arranges Entrepreneurship Motivation Camp for the students to take up Entrepreneurship as an alternative career.
